SUPPLEMENTAL DUTY AND STIPEND SCHEDULE

2005 - 2006

Supplemental duty and stipend payments represent compensation paid to employees for responsibilities they have been assigned that require work beyond their regular duty. These assignments reflect opportunities for professional growth and/or supervision of extra/co-curricular activities. This schedule applies to the 2005-2006 school year only.

SUPPLEMENTAL DUTY PAYMENTS INCLUDED IN ANNUAL SALARY

NOTE:

Teachers are compensated with extra duty days when the activity requires them to be on duty during days other than the normal 187 days of the teacher contract period. The daily rate of the individual teacher is taken from the Teacher Salary Schedule as approved by the Board of Trustees and is multiplied by the number of extra duty days to determine the monetary equivalent. Payment is made as part of the the teacher's annual salary.

Monetary supplements are paid for extra time given on days that are part of the 187 days of the teacher contract. Payment is made as part of the teacher's annual salary.
