NOTES ON EXTRA DUTY DAYS AND MONETARY SUPPLEMENTS:

Teachers are compensated with extra duty days when the activity requires them to be on duty during days other than the normal 187 days of the teacher contract period. The daily rate of the individual teacher is taken from the Teacher Salary Schedule as approved by the Board of Trustees and is multiplied by the number of extra duty days to determine the monetary equivalent. Payment is made as part of the teacher's annual salary.

Monetary supplements are paid for extra time given on days that are part of the 187 days of the teacher contract. Payment is made as part of the teacher's annual salary.

Multiple Coaching Assignments: Coaches who have two or more coaching assignments that may provide for extra duty days receive the sum of additional duty days, but not to exceed 16 days. Coaches receive only the higher or highest of the monetary supplements.

Head Coaches: To ensure that Head Coaches are appropriately compensated for their extra responsibilities, they are given the better of two options for their monetary supplement. They will receive the listed monetary supplement or the monetary supplement of their other sport +\$1,000, whichever is greater. They also receive the sum of days for each sport without exceeding 16 days.

Example: A Head Soccer Coach who also is the Football Defensive Coordinator

Head Soccer Coach	5 days	<i>plus</i>	\$3,500 OR \$4,200 + \$1,000
Football Defensive Coordinator	12 days	<i>plus</i>	\$4,200
Final Supplement for this Coach	16 days	<i>plus</i>	\$5,200 (take 2nd option for Head Coach)
