

# MISSION STATEMENT

The Secondary Reassignment Center will provide a quality education for all students:

In a way that:

- Creates a safe and positive learning environment
- Provides for the unique needs and capabilities of the individual student
- Fosters student responsibility for their learning and behavior
- Develops positive attitudes toward school, community, and family
- Fosters high self esteem in students and staff
- Engages parents in a positive manner in their child's education
- Stimulates teachers to become partners in the students educational process

So that:

Students will be successful upon their return to their home campus and within the community.
